Subject: RE: literacy/ nutrition night

Literacy night is Tuesday the 17th 5:30 -7:00!

Here is the schedule:

5:30 families arrive through the cafeteria and get a schedule card and a raffle ticket. *anyone that gets here early will be directed to the book fair

5:30-6:00 Parents immediately go to their first session of book talk/ recipe making. (Sessions will be held in the second floor middle school rooms: Art room, two middle school classrooms and Ms. Witty's office.)

6:00-6:30 session 2 of book talk/ recipe making.

6:30 Families return to cafeteria for the chickfila nuggets and salad and raffle or book fair

7:00- Kick everyone out and go home!

To do:

Plan mini-comprehension piece to go with your read aloud. Gather materials

Write up recipe on large paper and print copies for families

Buy food for recipe and pre-cut or prepare whatever is necessary.

Make family schedule cards. *I'll do this

Email Gillian with recipe idea so we don't have any repeats.

Where do I go?

Dr. Obara/Mr. Obara table at cafeteria entrance giving directions

Giarratano- Art room for book/recipe session

Grandchamp- one of the 2nd floor middle school classrooms for book/recipe session

Aliberti- one of the 2nd floor middle school classrooms for book/recipe session

Zapata- Witty's room for book/recipe session

Ashia and Harris and Parran and Spencer- floating /helping direct families/ helping with recipe making/ helping with the book fair at 6:30

Intriери- the majority of families will probably visit the book fair from 5:00-5:30 or from 6:30-7:00

Thank you- let me know if you have any questions!

Gillian
